

# Breaking News: Neela Andres Selected as National Officer Candidate

Neela Andres, originally of the Missoula FFA Chapter, has been selected to represent more than 5,000 FFA members in Montana as this year's National Officer Candidate. Neela served as the 2014-2015 Montana FFA State Secretary, Montana's National Officer Candidate in 2015 and looks forward to continuing her service to FFA again this year.

It is a true honor and opportunity to be selected as Montana's only National Officer Candidate, one that is not taken lightly. Neela has already begun preparing for the grueling and competitive selection process that will take place in Indianapolis, IN this October at the National FFA Convention. This summer and early fall Neela will travel the state and country gaining valuable experience in speech delivery, workshop delivery, agricultural knowledge, and agriculture education. Congratulations Neela!
