

Agricultural Opportunities Tour Guidelines

Purpose.

The Montana FFA Agricultural Opportunities Tour is a Special Project of the Montana FFA Foundation created to provide additional opportunities to FFA members who have already experienced much of what Montana FFA has to offer. FFA members from around the state will have the ability to experience the diversity of Montana agriculture, network in different communities, and build their character through the Montana Ag Tour.

Members who attend this three-day event will tour various agricultural production operations, discover the multifaceted agribusinesses that support our farmers and ranchers, and interact with industry professionals; experiences which they will be able to bring home to their chapters, utilize to further develop their Supervised Agricultural Experiences, and grow their vision of their future in agriculture.

Who can apply.

Any active Montana FFA member who will be an active member the following school year in 2018-2019 (grade 7 through 12) is eligible to apply to attend the Ag Tour. Graduated seniors may attend if they are a current State Star Finalist or a State Proficiency Winner.

Application timeline.

The Ag Tour application is due in May prior to the when the tour is held during the summer. A link to the online application will be posted on the Montana FFA website when the application opens: montanaffa.org > Association > Applications

➤ <http://montanaffa.org/applications/>

Application Checklist

State Proficiency Winners and State Star Finalists selected at State FFA Convention in the spring can RSVP to attend the tour free of charge (registration fee waived). All other FFA members can apply to attend with a registration fee of \$40. Any member who attends MUST complete and submit a signed liability waiver.

State Proficiency Winner or State Star Finalist

- RSVP to support@montanaffa.org by May 1st
- Submit signed liability waiver to Montana FFA Foundation by May 1st

All other FFA members (applicants)

- Submit online application by May 10th
- Submit signed liability waiver to Montana FFA Foundation by June 1st
