## How to Become a Member

Becoming an alumni member on FFA.org is now easier to do! We have made the previously very lengthy process much shorter for community members to become alumni members. Community members can become alumni members on ffa.org two different ways:

Option A:

1. Go to **JOIN** on FFA.org
2. Click on **FFA for Adults**
3. Select the **Become an Alumni Member** dropdown
4. Create an account and complete the user profile and pay using PayPal

The screenshot shows the FFA National FFA Organization website. At the top is the FFA logo and the text 'NATIONAL FFA ORGANIZATION'. Below this is a navigation bar with 'ABOUT', '1. JOIN', and 'PARTICIPATE'. A dropdown menu is open under 'JOIN', showing 'Why Join', 'How to Join', and '2. FFA for Adults'. A second dropdown menu is open under 'FFA for Adults', showing 'Why Join FFA', 'How to Join', and '3. Become an Alumni Member'. A small photo of a person is visible in the bottom right corner of the screenshot.
