Event Format

A. WRITTEN EXAM (200 POINTS OR 20%)

Part I

Consists of five open-book parliamentary procedure research questions using the current edition of Robert’s Rules of Order Newly Revised. Participants will be allowed 30 minutes to complete Part I of the exam. All team members are required to provide their own copy of the most current edition of Robert’s Rules of Order Newly Revised. It is allowable to have highlighting in your book and tabs. It is not allowable to add written pages to the RONR or have written additional notes.

An example of one research question is outlined below:

- “The term ‘rules of order’ refers to written rules of parliamentary procedure formally adopted by an assembly or an organization.”

  Answer: [RONR, p. 15]

Part II

Forty-five multiple-choice questions taken from Robert’s Rules of Order Newly Revised. Participants will have one hour to complete Part II of the exam. NOTE: References and materials cannot be used for this part.

Exam content will be guided by National Association of Parliamentarians members and Leaders Body of Knowledge and the Society for Agricultural Education Parliamentarians (SAEP) accreditation processes.

Participants receiving a cumulative score of 80 percent or greater on the exam will be recognized as an Accredited Parliamentarian (AP) by the Society of Agricultural Education Parliamentarians (SAEP).

The average score of the six team members will be used to compute the total team score that will be utilized for each round.
B. PRESENTATION (500 POINTS OR 50%)

1. The national event will have three rounds:
   
   Preliminary round
   
   - The preliminary round will have six sections. A section shall be made up of six to nine teams.
   
   Semifinal round
   
   - Two teams from each of the sections, for a total of 12 teams, will advance to the semifinal round.
   
   Final round
   
   - Two teams in each semifinal section will advance to the final round of four teams.

   Team Progression Chart

2. Seeding Process

   Teams will be placed into preliminary and semifinal rounds based on the teams’ exam scores, which is the average score of the six team members.

3. Item of Business

   Each team will address a local chapter item of business, which would normally be a part of a chapter’s program of activities (consult FFA.org, the Official FFA Manual and Student Handbook for specific activities and current programs.) The motion will be specific and must be moved as an original main motion as it is written on the event card.

   Motions not on the chart of permissible motions, or secondary motions and debate applied to them, will not be scored.

4. Event Card

   From the list of permissible motions, the event officials will select two subsidiary motions, two incidental motions and one privileged motion or a motion that brings a question again before the assembly. These motions will be on an index card, and one will be randomly assigned to each team member. Motions must be demonstrated in the classification that is indicated on the motion card (i.e. privileged, subsidiary, incidental, motions that bring back again before the assembly). All teams in each section will be assigned the same motions.
There are 25 permissible motions in the national FFA event. Team members will have one minute to review the main motion, the motions to be demonstrated and to identify his/her motion (which may be noted by bolding, underlining or highlighting). Members may not confer or use nonverbal communications during the one-minute time period or during the demonstration.

5. Opening and Closing the Demonstration

The team demonstrating shall assume that a regular chapter meeting is in progress and new business is being handled on the agenda. The chair shall start the presentation by saying, "Is there any new business?" Time will stop when the chair declares the meeting adjourned.

Original Main Motion: The event official will assign the main motion on an index card; no other original main motions may be used. Making other original main motions that are not on the event card will result in a 50-point deduction from the overall team presentation score.

The assigned original main motion is to be the first item of business presented, unless, Take from the Table, Reconsider or Rescind are required on the event card. If any of these motions are on the event card, the team may choose to demonstrate the motion at the beginning of their demonstration or at the end of the demonstration, after they have disposed of the original main motion. Points are only deducted if parliamentary error occurs or if event time requirements are violated. If this is the case, an alternative main motion for Take from the Table, Reconsider or Rescind will be provided.

The person who makes the assigned main motion will be given credit for an additional motion.

6. Secondary Motions

There is no limit to the number of subsidiary, incidental and privileged motions that a team may demonstrate.

A member’s required motion will not be counted as an additional motion for another member. No motion may count for an additional motion for more than one member. Incidental and privileged motions cannot be demonstrated as incidental main motions. Only motions listed in the permissible motions chart will be counted for required and additional motions.

7. Individual Member Recognition

A member may speak in debate on the main motion and conclude by offering a secondary motion. Judges will award points accordingly for both the debate and the secondary motion.

Omission of the assigned motion by the assigned member on the event card will result in a 50-point deduction from the overall team presentation score.
8. Motions that bring a question again before the assembly
   If the officials in charge designate Take from the Table, Rescind or Reconsider as a motion to be demonstrated, a scenario will be included on the event card. These motions shall not be used unless listed on the event card as a required motion.

9. Call for the Orders of the Day
   If the event officials designate call for the orders of the day as a motion to be demonstrated, a scenario will be provided on the event card. Participants are to assume that a motion was postponed at the last meeting and made a special order for a time during the current demonstration.

10. Debate
    The top four debates per member will be tabulated in the presentation score. No more than two debates per member per motion will be tabulated, even if the subsidiary motion to extend the limits of debate has been passed.

11. Time Limit and Deductions
    A team shall be allowed 11 minutes in which to demonstrate knowledge of parliamentary law. A deduction of two points/second for every second over 11 minutes will be assessed.
    Example: 11:05 = 10-point deduction. A timekeeper will furnish the time used by each team at the close of the event.

C. ORAL QUESTIONS (100 POINTS OR 10%)

   Individual Questions (100 points)
   The team members (not including the chair) will be asked a planned question, which may include one to three parts, relating to their assigned motion. No one may step forward to help another member answer their individual question. The chair will be asked a question relating to presiding, debate, assigning the floor or other general parliamentary procedures. Each member will be scored a maximum of 16 points for responses to questions. Chair will be scored at a maximum of 20 points.

   Clarifying Questions
   The judges will have three minutes to ask clarifying questions related to the team’s demonstration that may impact other aspects of team demonstration scores. Questions may be directed to the team or an individual member. Team members may volunteer to answer the question for the team or to help another member. This round of questions is not scored separately, but is used to inform other aspects of the score card.

D. TEAM PROBLEM-SOLVING PRACTICUM (150 POINTS OR 15%)

   In the preliminary and semifinal rounds, all teams will complete a team problem-solving practicum. Teams advancing to the finals will carry with them an average of their scores in the first two rounds. Teams will be provided a short parliamentary procedure scenario outlining a practical problem. Working as a team, they will have 30 minutes to research the problem and write a short solution with reference to specific page and line numbers in Robert’s Rules of Order Newly Revised. All team members are required to provide their own copy of the most current edition of Robert’s Rules of Order Newly Revised.

   See example problem-solving activity and answers in the handbook. National Association of Parliamentarians and the American Institutions of Parliamentarians will be invited to review and participate in this portion of the event.

   Teams may be provided access to a computer to type their responses and access to a searchable database of the most current edition of Robert’s Rules of Order Newly Revised. The searchable database will be secured from the National Association of Parliamentarians online store, https://www.parliamentarians.org.
E. INDIVIDUAL PRACTICUM, MINUTES AND OTHER RECORDS (50 POINTS OR 5%)

Each team member will participate in a 30-minute practicum that addresses organizational minutes and other records. Participants will be provided materials and responses will be captured using a scantron form. Reference materials will not be allowed during this practicum. The practicum will assess NAP Body of Knowledge for Leaders of Organizations Domain 2: Minutes and Other Records and Robert’s Rules of Order Newly Revised, pages 354 to 355 and 468 to 480.

Scoring Guidelines

A. GUIDELINES FOR SCORING DISCUSSION (60 POINTS PER MEMBER)

1. It is essential that each judge observes and maintains consistent criteria in scoring debate for the duration of the event.
2. Judges must overlook personal opinions and beliefs and score debate in an unbiased manner. All debate should be scored at the time it is delivered.
3. Each time a participant in the presentation discusses any motion, they may earn a score. However, an individual may never earn more than 60 points in a given presentation. The top four debates per member will be tabulated in the presentation score. No more than two debates per member per motion will be tabulated even if an extension of debate is passed.

Characteristics of effective debate

1. Characteristics of effective debate include the member’s ability to state his or her position, provide reason(s) supporting his or her position and tell or encourage the delegation how to vote. The delivery of the debate will include:
2. Completeness of thought.
3. Logical reasoning.
4. Clear statement of speaker’s position.
5. Conviction of delivery.

Poor: 0–7 points.

B. GUIDELINES FOR SCORING THE CHAIR (80 POINTS)
The chair is evaluated by his or her ability to preside and his or her leadership.

Ability to preside (65 points)
The ability to preside includes the following being able to state motions correctly, follow rules of debate, keep members informed, put motions to a vote, announce results of vote, use the gavel and maintain awareness of business on the floor.

A suggested grading scale is as follows:
Excellent: 51–60 points.

Sample Team Problem-Solving Activity

The following is a sample team problem similar to what a team might be asked to solve during the team portion of the National FFA Parliamentary Procedure LDE.

The Lakeville FFA Chapter is facing a parliamentary problem and needs advice. At its last meeting of the school year, the chapter planned to hold officer elections. The chapter president, Jason, was presiding at the elections meeting. The chapter vice president, Elizabeth, chose not to run for office again and served as chair of the nominating committee. Elizabeth will be a senior next year and decided to devote more of her time to career and leadership development events than to serving as a chapter officer. Elizabeth gave the nominating committee's report at the meeting. The nominating committee nominated Lisa for chapter president. No other nominees were offered, and Lisa was elected by a voice vote. The nominating committee nominated David for vice president. Another member nominated Claire for vice president from the floor. Jason, the president, asked both David and Claire if they objected to taking the vote by voice. Neither objected and Jason took the vote by voice. Claire was the clear winner of the election, and Jason declared Claire elected vice president. All other nominees suggested by the nominating committee were unopposed and were each elected by voice vote. At the conclusion of the election, Jason passed the gavel to Lisa, who declared the meeting adjourned. The next chapter meeting will take place when school resumes in the fall.

One week after the election, Lisa held the first meeting of the new officer team. She arrived at the meeting noticeably upset. As soon as the meeting began, Lisa announced that her father had taken a new job in a neighboring state, and she and her family would be moving away from Lakeville immediately. Lisa handed each officer a copy of her resignation as president and then handed a copy to the chapter advisor. To make matters worse, each officer had been instructed to bring copies of their last two report cards to the meeting so that the chapter advisor could verify the grade point average for each officer. All the officers had grade point averages above 3.0 except Claire, whose last two report cards indicated a grade point average of 2.35.

The new officer team was clearly disappointed that Lisa would be leaving, and the remainder of the meeting became more of a farewell party for Lisa than an actual meeting. When the group left the meeting later that afternoon, the chapter advisor wished all the officers well and indicated that she would call another meeting for later in the summer. Several questions were lingering on her mind, however, and she has called your team for help.

- Who is president of the Lakeville FFA Chapter?
- What must be done now to complete the Lakeville FFA chapter officer team?
- Was the election for vice president conducted properly?

The chapter bylaws only discuss chapter officers in Article IV. That article from the chapter bylaws appears below. The chapter's parliamentary authority is Robert’s Rules of Order Newly Revised (11th Edition). Please provide the Lakeville FFA chapter advisor with an answer to her questions, including appropriate citations, based on the chapter bylaws and the chapter's parliamentary authority.

**ARTICLE IV – OFFICERS**

**Section 1:** The officers of the chapter shall be a president, vice president, secretary, treasurer, reporter and sergeant-at-arms. All officers shall serve for a term of one year or until their successors are elected.

**Section 2:** The president shall be a senior and must have been a chapter member for at least two full years prior to election. All other officers must have been a chapter member for at least one full year prior to election.

**Section 3:** Any vacancy in any office other than that of president shall be filled by the other officers for the remainder of the unexpired term.

**Section 4:** All elections shall be held by ballot, except in cases where only one nominee has been made, in which case a voice vote may be taken.

**Section 5:** All officers shall have a minimum grade point average of 2.5 at the time of their election and shall maintain at least a 2.5 grade point average throughout their term of office.
Sample Team Problem-Solving Answers

- Who is president of the Lakeville FFA Chapter?

Elizabeth is president of the chapter. When Lisa was elected chapter president, Jason’s term as president ended and Lisa became the duly elected president. Lisa’s resignation means that the office of president would immediately be filled by the vice president. (Article IV, Section 3. Robert’s Rules of Order Newly Revised p. 442, ln. 2-7.) Claire was apparently elected vice president, but review of her grade point average after the election revealed that she was ineligible to be elected. (Article IV, Section 5.) The election for vice president actually never happened since Claire was ineligible at the time of the vote, so the election for vice president remains incomplete. (Robert’s Rules of Order Newly Revised p. 430, lines 11–13 and p. 543, lines 19–22.) Because Elizabeth was serving as vice president at the time of the election, and because her term of office does not expire until her successor is elected (Article IV, Section 1.), Elizabeth remained the actual vice president at the conclusion of the elections’ meeting. Elizabeth was also the actual sitting vice president at the time of Lisa’s resignation from the office of president, meaning that Elizabeth became president of the Lakeville FFA Chapter upon Lisa’s resignation.

- What must be done now to complete the Lakeville FFA chapter officer team?

The chapter of officers must select a new vice president to serve until the chapter meets again in the fall. (Article IV, Section 3.) When Elizabeth became president of the chapter following Lisa’s resignation, a vacancy was created in the office of vice president. The chapter bylaws require the remaining officers to fill the vacancy for the remainder of the unexpired term. The person appointed by the chapter officers will fill the position of vice president until the chapter can meet to hold another election for vice president. (Robert’s Rules of Order Newly Revised p. 429–30.) The new election is necessary because the new vice president chosen by the officers will only be completing Elizabeth’s term of office as vice president, which should have ended at the elections’ meeting, but because no election was completed, the newly chosen vice president will continue in office until his or her successor is elected by the chapter. Since there are no prohibitions against reelection, the person chosen by the officers can be elected to the office of vice president by the chapter for a complete term.

- Was the election for vice president conducted properly?

No. The election for vice president should have been conducted by ballot. (Article IV, Section 4.) A requirement that a vote be taken by ballot cannot be suspended, even by unanimous consent. (Robert’s Rules of Order Newly Revised p. 398, line 28 and p. 399, line 1.) Claire should also not have been a candidate since she was ineligible for election to the office. (Robert’s Rules of Order Newly Revised, p. 543, lines 19–22.)
