92ND MONTANA FFA STATE CONVENTION

92ND ANNUAL MONTANA FFA STATE CONVENTION

The annual state convention is a historical part of Montana FFA and our most exciting event of the year. Nearly 1,500 members, FFA advisors, alumni, parents, industry partners, and guests gather to celebrate the achievements won by the past and present generations of agriculturalists while continuing to develop their potential for premier leadership, personal growth, and career success. Attendees will be inspired and motivated to take pride in our industry, serve our communities, and become leaders of the next generation.

During the convention, FFA members and guests will experience motivational speakers, award presentations, exciting exhibits, competitive Career & Leadership Development Events, and numerous entertaining activities. Attendees can explore the Career & Trade Show in search of the perfect career connection, attend a workshop to brush up on leadership skills, or simply interact and share ideas with FFA members and advisors from across the state.

We invite you to join us as an exhibitor, sponsor, or volunteer, and help us continue cultivating a legacy at the 92nd Montana FFA State Convention in 2022.
