

2023 STATE FFA CONVENTION SPONSORSHIP OPTIONS

EVENT DATE: MARCH 22-25, 2023

EVENT LOCATION: MONTANA EXPO PARK
GREAT FALLS, MONT.

Co-sponsor a CDE or Proficiency Award Winner: \$500-\$1,000

Through Career Development Events (CDE), participating FFA members in grades 7 to 12 are challenged to develop critical thinking skills and effective decision-making skills, foster teamwork and promote communication while recognizing the value of ethical competition and individual achievement.

With 26 different CDEs, co-sponsoring one of them is an effective way to target donation dollars towards a specific demographic of students who share a keen interest in your personal and company values.

The Agricultural Proficiency Awards honor FFA members who, through their supervised agricultural experiences (SAEs), have developed specialized skills that they can apply toward their future careers. Students can compete for awards in almost 50 areas covering everything from agricultural communications to wildlife management.

Sponsor Day of Service: \$5,000

Community service is a pillar of Montana FFA. In an effort to give back to our host city, one afternoon at State Convention, Montana FFA members donate their time, man-power and resources to help with a community service project. Known as “Day of Service,” this afternoon community service project is often a convention highlight for members. Your donation would help cover expenses associated with the Day of Service community service projects.

Members who participate in Day of Service get a T-Shirt they wear during their community service project and later take home to wear in their own communities. A donation to this project ensures your logo will go on the T-shirt.

Sponsor State Degree Dinner: \$5,000

The State Degree is the highest degree a State FFA Association can bestow upon its members. In order to receive this degree, individuals must be at least a junior in High School and show exemplary FFA involvement and community service engagement. Additionally, they must also keep articulate records for their Supervised Agriculture Experience.

Recipients of this honor are recognized at State Convention through an awards dinner. Your donation would help cover the costs associated with that meal.
